As our inaugural Newsletter publication, I am thrilled to reach out in this manner with the hopes and intent of connecting with you on a regular basis with news and information that will cheer, motivate, educate, and inform you with each release. With you in mind, I have been working diligently these past months to develop and improve our website into a resource and tool that you will want to visit any time you have a question or want to learn something new about insurance. At the same time, I have been setting up tools that will enable me to communicate more effectively and regularly with pertinent information you need to know.

It is truly my honor and pleasure to be your trusted insurance advisor and I always want to provide you with the absolute best service and available solutions for every life and health insurance need you have. As always, I hope you feel free to reach out any time. I love to hear from you and am always available to help in any way. Becky

Annual Enrollment Oct 15 – Dec 7

YES, THAT TIME OF YEAR IS APPROACHING AGAIN.

This is an early reminder that Medicare's Annual Enrollment is right around the corner. This is the time that Medicare designates and gives us the opportunity to review plan updates, compare plans, and make changes if desired. Let me help to ensure that you are in the best plan for 2024.

OTC Benefits??

DOES YOUR PLAN INCLUDE OTC?

Your Medicare Advantage plan may include an Over The Counter (OTC) benefit. It is "free" money, so use it. If you aren't sure if you have an OTC benefit or how to use it, just give me a call, I will be glad to explain.

It is worth it.
